'Heart Hub' comes to Seaton

A £3,000 plus grant from Seaton Hospital League of Friends has made it possible to set up a 'Heart Hub' in Seaton to prevent and tackle heart disease, type two diabetes and high blood pressure.

The Heart Hub concept has already been established in Axminster and is the brainchild of a charity called Health & Local Food for Families (HALFF).

It is described as "a support and information service for people with or at risk of heart disease, type two diabetes and high blood pressure" – and involves a mix of healthy eating advice and healthy lifestyle advice, including physical activity.

People at risk with an already established problem will be encouraged to join the Heart Hub by Seaton-based GPs, but people not at risk are also welcome.

The project will initially run for a year and is financed by a £3,298 grant to HALFF from Seaton Hospital League of Friends.

Dr Joe Kent, a GP at Seaton and Colyton Medical Practice, said: "We are delighted to welcome and support HALFF to Seaton."

"This is a brilliant local community charity that offers a fantastic opportunity for us to make sustainable lifelong changes to the way that we eat by

enriching our attitude to our diet, its nutritional content and provenance.

"Some participants are carers for sick and disabled relatives. Often they feel that their health is irrelevant providing they continue to care for their loved ones."

"As a result their health suffers. HALFF feels that all members of the community should be able to have access to its services and have designed this monthly support group to include carers."

HALFF doesn't have a base as such in Seaton, but will hold monthly cooking and open house support sessions at United Reform Church in Cross Street on the fourth Friday of the month between 10:30am and 12:30pm.

The first session will be on Friday June 27th, open to everyone even if they are not registered with the Heart Hub.

HALFF's Laura O'Rourke said: "There are cur-

rently 60 residents registered in Axminster who receive regular free newsletters – either by post or e-mail.

"The newsletters contain recipes, information on food planning, labelling, budgeting and exercise tips, and everyone may attend a monthly cooking demonstration specifically designed for older people."

"People involved from Axminster have lost weight, cook more, eat more fruit and vegetables and have told HALFF it is an invaluable service which they really value."

"The support group is really important to help people to maintain healthier lifestyles, to help them to plan healthier meals and to understand how their diet can affect their health."

"Getting people together to talk about what changes they are making, also encourages them and helps them to learn from each other."

She stressed that you don't have to live in the Seaton area to register for the newsletter.

Big hundreds for Sidmouth 3rds

BIG Hundreds from skipper Graham Munday and opener Robbie Powell took centre stage at the weekend as **Sidmouth 3rd XI** recovered from losing Tom Overthrow to the third ball of the innings against Plymouth & Roborough.

Both finished unbeaten with Powell making 166 and Munday 148 as the pair racked a record league partnership of 325. Their shell-shocked opponents proceeded to post a respectable 185 for 8.

THE village football clubs of Bow ACC and **Sidbury United** are both celebrating promotion to the top flight of the Fresha Devon & Exeter League for the first time in their history.

Bow have been knocking on the door for some years but problems with their facilities had previously denied them entry.

However, recent changes made to their changing rooms has allowed them to make the step up which they will share with Sidbury, and Division One champions Elmore 2nds

Health warning to egg thieves

THIEVES and vandals have been warned that eggs they steal may be unfit for human consumption and could cause illness.

The stark but caring warning was issued after eggs were stolen from Millwey Rise allotments in Axminster.

Jane Nevell and David Brooks keep the chickens and are very angry about the thefts, but are keen the eggs are not passed on to an innocent third party.

They keep almost 15 chickens, some of them with a high-profile past as they featured in a television series shot by Hugh Fearnley-Whittingstall and his team.

About a month ago the pen was broken into and eggs stolen.

Then someone repeated the trick on Sunday June 8th at some point between 2pm and 9pm, damaging fencing and netting in the process.

Jane said: "Sometimes we treat the chickens for worms, and if that is the case you can't eat the eggs for a number of days."

Mr Brooks added: "If we've wormed them, you could end up ill. If they are that desperate for half a dozen eggs, they can knock on the door and I'll give them some."

COLYTON

Off to the World Cup

LUCKY football fan Ed Busby, from Colyton, is off to the World Cup in Brazil this week after winning an all-expenses paid trip with a packet of crisps.

The 22-year-old, who plays football for Colyton and works at tourist attraction Pecorama in Beer, entered a competition with McCoy's crisps just hoping to win one of their 10,000 special edition trophy glasses. Instead, he received a call telling him he had won one of the top prizes - six nights for two in a four star hotel in Rio de Janeiro.

Ed has chosen to take his twin brother Erich with him and the pair will fly from Heathrow on Thursday.

From the editor's chair The fight for our library

IT WAS pleasing to see such a large turn-out at last week's town council meeting in support of Axminster Library, underlining the great strength of feeling felt by the people of Axminster and district that they don't want to see the library's operation diminished in any way.

Devon County Council, in their seemingly never-ending quest to reduce costs, want to make a number of libraries, including Axminster, "second tier" with voluntary-led facilities, in a £1.5 million bid to trim their budget. The downgrade would mean the loss of professional librarians.

With the population of Axminster expected to explode over the coming years, campaigners believe that the local library should be open longer hours rather than looking at a reduced service.

They packed the Guildhall with one of the biggest crowds for a number of years and made their feelings quite clear. It was not a comfortable evening for the county council officials in attendance.

With reduced government funding, county councils find themselves in a difficult place. They are responsible for services such as education, care of the elderly, youth centres etc, all vital for maintaining the quality of life for young and old alike.

But to balance their books, cuts are a necessary evil and they don't come without pain. Axminster

is right to fight its corner on this issue and such support for the library will leave the county council in no doubt that it will take more than a few questionable statistics to convince the people of Axminster that there is another solution.

♦ **BANG** the drum and reform the town band! At last, Axminster Guildhall has a pair of new doors. The painting is still to be completed but the doors are up and swinging. Alleluia!

The tale of the Guildhall doors has been running longer than The Forsyte Saga - but the town council got there the end, thanks to the generosity of Axminster Care.

I still can't believe the Care Service coughed up the cash for what is a civic expenditure, not a charitable project, but they have done the town a real favour, as the Care Service so often does.

Incidentally, I was in Douvre la Delivrande, Axminster's twin town last Friday, and The Marie (town hall) was looking its resplendent self with fantastic floral displays enhancing the impressive building.

Do you think there is any chance the town council will follow this example and make the outside of the Guildhall look just as attractive now that the smart new doors are in place?

HONTON

College on the up after downgrade

HONITON Community College is on the up again, after Ofsted inspectors praised the latest efforts to improve the school.

Education bosses downgraded the college in February and demanded improvements following inconsistent subject results.

Since then, the college's governors and senior leadership team have been working on ways to raise standards.

And after a follow-up inspection last month, the regulator is now satisfied that the college is back on track.

In his report, Ofsted inspector Jonathan Palk praised the "effective action" taken to tackle areas requiring improvement.

He said: "The plans and action to strengthen subject leadership have moved forward at a good pace. Subject leaders are now better held to account for their performance and that of the students, and they are more involved in reviewing performance through 'book looks' and lesson observations."

"The use of additional mentoring and coaching support for teachers has begun positively, and the focus on effective marking and ways to improve teacher-led discussions is helping bring staff together to reflect on their practice."

SIDMOUTH

Local man dies in house fire

A SIDMOUTH man suffered fatal injuries after a fire engulfed a house in Howarth Close early on Sunday morning.

Fire crews from across East Devon were called to the scene at around 7.45am on Sunday (June 15th), following a number of reports of smoke coming from the property.

Devon and Somerset Fire and Rescue teams were able to rescue the man from the three-storey house using specialist equipment, but police later confirmed he was pronounced dead at the scene.

A spokesperson reported that the property had been "100 per cent damaged" by the blaze, the cause of which is still unknown.

When alerted to the incident at 7.43am, the first officer at the scene immediately requested three fire appliances after acknowledging the extent of the fire.

Fire crews from Honiton, Seaton and Ottery St Mary, as well as Sidmouth, were called into action.

A spokesperson for Devon and Somerset Fire and Rescue said: "The first officer in attendance immediately requested three fire appliances for man power and to assist breathing apparatus teams, later increased to five appliances."

The cause of the blaze has yet to be established and police are continuing with their enquiries, but there are not believed to be any suspicious circumstances.

OTTERY ST MARY

Youth centre to close?

FUNDING for Ottery St Mary's Station Youth Centre is now certain to be withdrawn, after county council bosses this week approved proposals to streamline the service.

In a major cost-cutting move, Ottery's centre will close in September, leaving just eight 'youth hubs'.

While outreach and mobile services will continue, along with the Youth Participation and 'REACH' support teams, the nearest physical youth centre buildings to Ottery will be as far away as Exmouth and Exeter.

During an extensive public consultation on the changes, more than 200 comments were made on the council's website and five petitions were formally submitted.

Students from The King's School and youth centre users worked with town councillors to oppose the changes.

And one young campaigner presented a pair of plastic spectacles to each member of the cabinet at their meeting on Wednesday last week to indicate that the move was "short-sighted".

But efforts to save the service ultimately proved unsuccessful after county councillors gave the go ahead for the proposals.

Meanwhile, young people fighting to save the service have vowed to continue their campaign.

Peco staff raise £1,500 for cancer support charity

■ ON THE PLATFORM | Tim Vincent, Mark Usher, Alex Todd, Emma Wall, Gillian Peach, Eve Searle, Keith

LAST week, Bridget Hill of Macmillan Cancer Support visited Peco in Beer to collect a cheque for £1,500, helping to fund the charity's support of people affected by cancer in Devon.

The donation was presented by staff at Peco who had raised sponsorship for running the Beer Blazer 5k/10k runs in May.

Other staff helped by baking cakes and selling homemade cards – all in memory of their work colleague Chris Edwards, who lost his fight with cancer earlier this year.

Peco Engineering director Ben Arnold said: "Chris was one of our toolmakers in the manufacturing business and had worked with us for more than 18 years. Chris also helped organise many great social events for staff – he is very much missed.

"The staff wanted to remember him and felt that

raising funds for Macmillan in Devon was a great way to do it, so it was a real delight to hand over our donation to Bridget last week.

"The Beer Blazer, which conveniently starts in the Pecorama visitors car park, is a popular but extremely challenging fun run and ten staff took part in the event.

"The runners were Tim Vincent, Keith Agland, Margaret Pearce, Mark Usher, Alex Todd, Steve Somers, Emma Wall, Gillian Peach, Eve Searle and Jill Adams. Between them, they ran either the 5k or 10k courses; both were extremely challenging being around the steep hills of Beer, so huge congratulations to all who completed it.

"Special contributions were also made by Sharon Wall, Christopher Taylor, Fran Vincent and Kim Beviss, helping to get everyone at Peco involved."

Party in the Park success

by Anders Larsson

SOME youngsters described Party in the Park at The Underfleet in Seaton as "the best day ever".

Party in the Park was hosted by Christians Together in Seaton and District on Sunday June 8th.

The Reverend Simon d'Albertanson said: "There was something for everyone as hundreds joined together for an afternoon of fun and entertainment to celebrate Pentecost – the birthday of the world-wide church."

Activities included a skate, scooter and BMX competition and a bouncy castle arena with an assault course much more.

Favourites from last year returned

including the Royal British Legion and their barbecue.

The Reverend d'Albertanson added: "It was planned to conclude the evening with a community songs of praise event, but sadly the heavens opened.

"Halfway through a brilliant set by local musicians 6 Days, Irve Griffiths the music director had to pull the plug – literally as the rain was making it dangerous to continue.

"The organisers are grateful for the generous support of Axe Valley Runners, Seaton Town Council,

EDDC and Seaton Town Development Team for making this event possible."

Local hospital services to be scrutinised at public meeting

SERVICES provided at community hospitals – including those in Axminster, Honiton, Ottery St Mary, Seaton and Sidmouth – will be scrutinised during a public* meeting at The Beehive, Honiton, at 2pm on Thursday, June 26th.

The meeting is being formally billed as "a Care Quality Commission listening event". It is part of an exercise in which England's Chief Inspector of Hospitals is asking members of the public to say what they think of services provided by Northern Devon Healthcare NHS Trust.

The views expressed will help inspectors decide what to look at when they inspect the services provided at community hospitals in Devon during July.

The trust will be inspected and given an overall rating under radical changes which have been introduced by the Care Quality Commission. ed last year that he will lead significantly larger inspection teams than before, headed up by clinical and other experts including trained members of the public.

A Care Quality Commission spokesperson said: "To ensure the views of patients and the local

community are properly heard, the inspectors will be holding two listening events (the other one will be in Barnstaple).

"People are being encouraged to attend the listening event to find out more about the inspection process, to tell the team about their experiences of care and to say where they would like to see improvements made in the future."

Anyone who is unable to attend the events can give their views in a number of ways – either online at www.cqc.org.uk/contact-us, by email at enquiries@cqc.org.uk, by writing to CQC, Citygate, Gallowgate, Newcastle upon Tyne, NE1 4PA or call 03000 61 61 61

*Although a public event, the media has been banned from attending.

The spokesperson said: "The listening event is being held to enable members of the public to share their experiences of care with members of the inspection team.

"These discussions will take place in small groups, and we want people to be able to talk safe in the knowledge that the confidences they are sharing will be respected."

In training for the Big Wheeze

■ **BIG WHEEZE:** Runners from across East Devon are being encouraged to get their kit on and start training in preparation for the "Mrs E's Big Wheeze" fun run event next month. The race, held in Uplyme, takes place this year on Sunday, July 20th, and runners will be able to take on the 10K or 5K challenges, with a shorter 2K event for youngsters. And for those who need some encouragement, a string of training sessions have been organised in the lead-up to the big day. Runners will be meeting outside the Dorset House Hotel in Lyme Regis at 6.45am on Wednesday mornings for a 20-minute jog, and for a longer run starting outside Mrs Ethelston's C of E Primary School in Uplyme on Thursday evenings at 7.30pm. The multi-terrain event starts and finishes at the school, following river banks and crossing hills, and the closing date for postal entries is July 16th. Entry forms are available at www.acornfederation/mrsethelstons and should be submitted to the school.

Breakfast raises £1,200 for farming charity

MEMBERS of Axminster Young Farmers' Club have presented the takings from their Big Breakfast in March to The Royal Agricultural Benevolent Institution (RABI).

The cheque came to £1,238.53, and member Alice Gay said: "We had a very interesting talk from Pam Mills, who is the area supervisor for RABI.

"The money has been put into a pot specifically for people on the Somerset Levels following the severe flooding during last winter.

"They have helped the farmers in a number of ways ensuring everyone has food and water as well as the animals getting the feed they need and having shelter."

The club ball will be held on Friday, June 27th at Axminster Showground. Tickets are £22 and include a hog roast, drink and desert. Entertainment will be provided by The Reason and Your Perfect Night Disco.

To order tickets, contact Laura Lee on 07714707687.

Two catalytic converters stolen in Axminster

TWO catalytic converters have been stolen from cars in Axminster.

A Mitsubishi 4x4, parked in Woodbury Way, was targeted at some point on Tuesday, June 10th or Wednesday June 11th. The second incident involved a car parked on a private driveway in Chard Road. The vehicle involved was also a 4x4 Mitsubishi.

Youth centre 'no plans to close'

FOLLOWING a report last week, county councillor Andrew Moulding has stressed that Devon County Council (DCC) has no plans to close Axminster Youth Centre as such, but instead turn it into a community-led facility.

He added that DCC has already received "expressions of interest" from the community for involvement with Axminster Youth Centre.

Talks are ongoing and any developments will be reported in due course.

Future looks bright for Marcus

AXE Valley Community College sixth former Marcus Wood was one of 69 people nominated for a Rotary International in Great Britain and

Ireland (RIBI) award.

Although he wasn't among the five winners, the award organisers see him as an achiever all the same.

clubs from all over Great Britain and Ireland to put forward candidates for recognition as RIBI Young Citizens.

In consultation with the Axminster college, The Rotary Club of Axminster nominated Marcus.

To warrant nomination, the individual had to demonstrate leadership skills as well as a community spirit both locally and internationally.

A college spokesperson said: "The Rotary club believed that with his work as Head Boy at the college, his involvement in The Music Hive, his initiative in providing drama workshops for a local primary school and many other extracurricular activities, Marcus had demonstrated a commitment and willingness to help his fellow students."

"Internationally, off his own initiative, Marcus raised the funds to take him to a small village in Nicaragua to help improve the sanitation facilities."

"The club was impressed by Marcus' own account of the venture when he reported back saying, 'every day out there was a challenge, whether dealing with the heat, labour or emotions that came with seeing living conditions far worse than my own.' Consequently, the end of the day felt very rewarding knowing that you'd changed another family's life for the better."

"Marcus also took part in the Rotary Youth Leadership Award. Reports from the course instructors confirmed Marcus' leadership qualities."

"Unfortunately, from a very strong field, Marcus was not one of the five awardees." But RIBI President Nan McCreadie said: "In my view there are no losers and all nominees have demonstrated wonderful initiative, service, commitment and personal giving and this should be acknowledged."

Simon Dunn, President Elect of The Rotary Club of Axminster, and his fellow Rotarian John Brennan presented Marcus with a certificate recognising his personal qualities, community spirit and nomination.

Road closed after tractor crash

A STRETCH of the A35 at Shute, near Axminster, had to be closed after a collision between an articulated lorry and a tractor with a forage harvester.

The accident happened at about 4.30pm on Thursday, June 5th. A spokesperson for the fire and rescue service said: "The fuel tank of the lorry had ruptured, causing a fuel spillage."

An ambulance service spokesperson said that one man was treated for "minor leg injuries" at the scene.

He did not require hospital treatment. The road was fully reopened at 10.15pm.

◆ **PARAMEDICS** were called to Chard Road in Axminster to an accident involving a man and a dog.

The reluctant hero who lost his friend on D-Day

by Anders Larsson

anders@tindlenews.co.uk

Norman Ayshford looked a war hero in every way during the D-Day commemoration on Minster Green in Axminster on Friday June 6th.

But the 88-year-old Axminster resident is a modest man and plays down his effort, saying: "I only played a small part."

"I didn't see much action if truth be told."

Mr Ayshford lived in Hornchurch, Essex, when war broke out, and he joined up in 1943 with The Royal Engineers after six weeks of training.

He was a warrant officer with The Royal Electrical and Mechanical Engineers on Sword Beach on D-Day, which nearly became the last day of his life.

He explained: "Our job was to clear the road for the main troops to come through."

■ **EMOTIONAL:** Veteran Norman Ayshford, who was a warrant officer with The Royal Electrical and Mechanical Engineers on Sword Beach on D-Day, and his wife Pat on June 6th

1945. Unfortunately, one of his best friends wasn't so lucky.

On D-Day Dickie Johnson served with another platoon, but he would not make it back to England.

Mr Ayshford said: "I never saw Dickie again."

He has been unable to establish what happened to his friend, having searched graveyards around Pegasus Bridge to no avail.

Mr Ayshford still keeps a framed photograph of himself and his friend, and took it along to the 70th anniversary commemoration on the Minster Green.

He said: "It was very emotional, I burst into tears."

Keen to play down his own role and eager to praise his fellow soldiers, he said: "The chaps I was with was a very, very good band of men, very courageous."

■ **IN UNIFORM:** Norman Ayshford

"But I was knocked out and don't remember anything until I was back in England."

"It was an explosion of some sort, it might have been a mortar."

The first landings at Sword beach took place at 7.25am when British and French commandos attacked the beach, and Mr Ayshford believes he was taken out of action at about 10 am.

After making a recovery in England, he was posted to Egypt until demobbed in

Television cable cut

A TELEVISION dish wire has been cut in an act of criminal damage at Loretto Road, Axminster.

A police spokesperson said: "This incident happened on Saturday June 7th sometime between 2am and 10.30am. "Someone has cut the cable

leading to the Sky dish on the front of a house in Loretto Road."

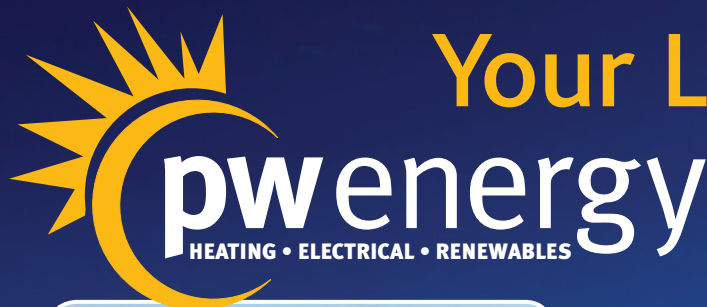

Anyone who witnessed something suspicious in the area at the time is asked to call police on 101.

The crime reference is CR/79375/14.

1st Axminster Scout Group's activity pitch kept visitors busy during Fun on The Minster Green.

As reported recently, the event was organised by Axminster & District Lions Club to celebrate National Family Week.

Tickets selling well for RNLI fundraiser

THE organisers of a new fundraising event for the Royal National Lifeboat Institution are confident it is going to be a smash hit.

Ticket sales for the inaugural 12-hour music marathon on June 27th from noon to midnight at Winston's Bar in Seaton have been going well.

Among the artists performing are the well-known Adam Sweet, the Luggers Ukelele Orchestra and popular duo Steve Black and Alan West.

Tickets cost £10 in advance and £12 on the door – as long as they are not sold out (the capacity is 150).

Wendy Cummins, who is secretary of the Seaton, Beer and District branch of the RNLI, said there is also going to be a 'mega raffle' with an extensive list of prizes thanks to the support from numerous local and nationally based businesses.

"The owners and Chris at Winston's are really working hard to support us," said Wendy.

"This is a very big event for us and we are looking forward to a great afternoon and evening and seeing as many people there as possible."

● THE Seaton, Beer and District branch of the RNLI raised a total of £1,017.47 from the National Collection Days at Tesco Seaton at the end of last month.

"We would like to thank everyone for their continuing support and it is greatly appreciated by all the volunteers here at the local branch of the RNLI and at RNLI Headquarters," said branch secretary Wendy Cummins.

Family set to 'spin like a Fitz'

by Kevin Fahey

THERE are numerous events being organised in East Devon to commemorate the 100th anniversary of the outbreak World War 1 but a Beer family have come up with something quite unique.

Dad Paul FitzHenry, 16-year-old daughter Alice, who is a student at Axe Valley Community Colleg, and 27-year-old son Paul, who lives in Sidmouth, will be joined by Paul's brothers David and Chris, plus the latter's 13-year-old son Jasper, for a cycle ride with a difference – from Berlin to Paris.

The six-strong team will ride in pairs to cover the 1,565 miles in a target time of seven days two riding at any one time while the others rest and recuperate in their motorhome that will provide support and accommodation along the way.

"I was looking to find something that the six of us could do to mark the event and initially we looked at cycling along the Western Front but that was too short," said Paul.

"An obvious idea would have been to cycle from Sarajevo, where the first shot was fired, to Paris but that would have taken us over the Alps which wasn't really practical.

"So in the end we came up with an idea to cycle a mile for every day the war lasted and that added

sailles Palace on July 26th.

"We are aiming to ride from 5:30am to 11pm every day with each pair doing stretches of around two hours depending on how they are feeling," added Paul.

"We are having to plot the route as carefully as possible to ensure we spend the maximum time on

the bikes."

The group is hoping to raise £3,000 for the Royal British Legion, Help for Heroes and the Soldier's Charity and have already received support for kit and material from local firms Northcott Design & Management of Colyton, Fluid Link, Total Well Being, Thomas Westcott Ac-

countants in Axminster and Sidmouth-based G J Bess and Sons Electricians

"We are doing as much training as possible and it is going to be a tough but that is what makes it such an interesting challenge," said Paul.

Scouts kept busy in Beer

BEAVERS, Cubs, Scouts Explorer Scouts and leaders from Beer made the most of Scout Community week (June 2nd-8th).

The Beavers worked hard with Beer Horticultural Society, weeding and preparing planters for new plants.

The Cubs started attacking the weeds in the brook but had to stop when the heavens opened and the brook flooded.

The Scouts, however, finished the moss clearing and weeding of the upper half of the brook on Thursday evening.

Leader Nigel Groves said: "The young people have worked hard all week.

"We ended up with over eight wheelbarrow loads of weeds coming out of the brook.

"We also ended up with lots of soggy but happy cubs and scouts too.

"It was great that so many people – both holidaymakers and locals – stopped to comment on the hard work the young people were putting in and the difference it was making."

Scout Sam Morton said: "My hands are so icy cold but its good fun."

Ursula Makepeace of Beer Horticultural Society commented: "Britain in Bloom judges are coming to judge the village soon and the work the Scouts have all put in will be noticed."

Carnival call for buskers

CARNIVAL organisers are calling on acoustic musicians of all ages and styles to register for Seaton Carnival's third annual busking competition on August 30th.

The competition is part of the annual carnival week celebrations and helps raise money for local charities.

Organisers are offering prizes in a range of categories, including Best Band, Best Individual, and Best Junior, plus a Spirit of Carnival prize for the musician who collects the most money for charity and puts most effort into their performance.

Money donated to participating buskers by the public will go to local good causes.

One of the organisers, Jon Croose, said: "This will be the third year for the busking competition and we want to make it bigger and better this year.

"We are spreading the word to local open mic sessions, arts organisations, music events and folk clubs, and we hope local musicians will support the event and help us publicise it through their networks.

"The competition judges will be looking for musical ability, passion, entertainment value and audience interaction.

"The town will be packed for the carnival procession later in the day and this is a real chance for local

musicians to show off their skill, personality and performance ability and to help local charities in the process. We welcome all musical styles and instruments. The competition is open to non-amplified singers and musicians only and each performer will be asked to play for 15 minutes, during which time they will be judged."

Anyone who wants to enter the busking competition should e-mail him at jfc208@exeter.ac.uk

Entrants under the age of 16 should have their parents' consent.

All performers must register in advance and pay a registration fee of £2 on the day.

Rotarians serve up almost 100 cream teas

By Kevin Fahey
edit@pemedial.co.uk

ALMOST 100 senior citizens tucked into a sumptuous cream tea at the Colyford Memorial Hall last week – and it didn't cost them a penny!

The tea, scones and cakes were provided free of charge by Seaton & District Rotary Club in what has now become one of their most popular community events of the year.

"This is the 15th time the club has held this event and it is lovely to see so many senior citizens here on a lovely afternoon," said the Reverend Canon John Holder, who is community chairman for the Rotary Club.

"Everyone gets a free cream tea and it is a nice social occasion where people can have a chat."

Among the guests was 104-year-old Barbara Starr, who is a member of the Seaton & District Visually Impaired Group.

Shute psychotherapist turns to writing fiction

SHUTE resident Paddy Magrane has penned a thriller, drawing on his experience as a psychotherapist to write "Disorder".

The thriller tells the story of Sam Keddie, a shrink forced on the run after the death of one of his clients, the Secretary of State for International Development.

Hounded by government hitmen, Sam must discover the minister's dark secret, before he's silenced forever.

Paddy said he was previously represented by J.K. Rowling's literary agent, The Blair Partner-

ship, who described "Disorder" as "a read-it-in-one-go thriller and whodunnit". "Disorder" is now available from Amazon.

Big turnout for church plant sale

A TWO-day plant sale in Feniton raised more than £4,200.

The Friends of St Andrew's Church chairman Val Stringer said: "A huge thank you to the very many people who helped and supported our perennial plant sale. So many people were involved with the preparation, providing plants, setting up, transporting, selling and buying.

"The refreshments in the lovely gardens of Feniton Court were delicious. We ran out of cream and scones on the first day and people were baking again that evening ready for another exceptional day.

"A very big thank you to Sheila Lanning

and her team, and to Jonathan and Fiona for opening their garden.

"The glorious weather was the icing on the cake and certainly encouraged people to come along and although hard work it was a fun weekend.

"Stalls and raffle all made more than the previous plant sale. Thank you to everyone who participated in the raffle and for donating the prizes.

"The total raised was a staggering £4,244 with a little more still to come."

The money will be split between church funds and The Friends of St Andrew's Church.

Surge in new students at 'miracle' Musbury Primary

MUSBURY Primary School now boasts two classes after a surge in the number of pupils.

Only last year the school was down to less than 10 pupils and closure was a serious threat. But a federation with Sidmouth Primary School gave the school a lifeline, and now there is reason to be optimistic again.

Headteacher John Montgomery said: "Things are looking up. The school has not only secured itself financially, but has grown at a rate that could only have been dreamed of.

"Some of the locals are beginning to refer to the school as 'The Musbury Miracle' and I'm overwhelmed by the constant and continuous support of the villagers.

"This includes well-known locals such as Councillor Andrew Moulding and Michael Pritchard from Pecorama, who have offered much of their own time. Councillor Moulding is a member of the PTFA and Mr Pritchard helps to run the Forest School and was instrumental in the planting of the willow den and tunnel as well as clearing the site for the seeds.

"The school now has 20 children and has returned to a two-class structure."

To celebrate its recent success, the school will hold a summer fair on Friday, July 11th between 2pm and 6pm. All attending will be offered a free cup of tea.

Mr Montgomery also praised Sidmouth Garden Centre and Colyton Garden Shop for donations of poppy and flower seeds.

Fention playing field given £4,700

A GRANT of £4,788 has been given to Feniton Playing Fields.

The grant, given by The Premier League & The FA Facilities Fund, is for general maintenance equipment and a tractor. Grants from the fund are delivered by the Football Foundation and range in size from less than £10,000 up to £500,000.

District council should 'wake up' to harm it has caused in Seaton

■ JUST what planet is Councillor Ian Thomas on? I refer, of course, to his comments about Seaton in last week's *Pulman's View From* where he claimed the town was on the verge of a "new dawn".

It wasn't long ago there were claims that Seaton was "bucking the trend", which were also nonsense.

As an established town centre trader I cannot understand where he gets his information from. He certainly hasn't bothered to come around and talk to the town's hard pressed retailers. He talks about the number of empty shops decreasing but what about the ones up for sale or surviving on a knife edge.

Tory-controlled East Devon District Council has let Seaton down time and time again and now, after causing most of the damage to the town, it keeps claiming it wants to regenerate it. Maybe if those councillors had listened in the first place this regeneration wouldn't be necessary. Seaton had a huge regeneration site but what has the district council done with it? Houses and a ridiculously large supermarket.

Whether or not people like Tesco, it has greatly harmed the town centre by taking people out of it - something the district council was warned would happen but chose to ignore. Now it is planning a visitor centre which will do exactly the same thing - take people out of the town centre. It will be just another nail in the coffin of the town centre.

Most people in Seaton don't know what this centre is and those that do don't want it. What they want is to retain their largest car park to allow visitors somewhere to stop. Perhaps Councillor Thomas would like to tell everyone where the alternative parking will be? Furthermore, where will all the expected visitors come from - the same planet Councillor Thomas and his Tory colleagues are on, I suppose? They certainly won't be coming from a nice new hotel.

I believe we are only being bulldozed into having this centre because of a botched and failed attempt by EDDC to build a much bigger one in Exmouth. It's all about saving face and those supporting it have absolutely no idea about trading in the town. The estimated £4million could have been spent much better in Seaton. Why didn't the

district council buy the former Woolworths building and convert that into a centre? Right on the seafront and close to the town centre - probably makes too much sense.

I also understand that our world famous Grizzly could be much smaller next year because of the lack of parking. Thanks EDDC for causing even more harm.

Councillor Thomas talks about money being spent on courting the national media to promote Seaton. Publicity so far that I have seen has been in publications hardly anyone reads - how many read *The Guardian*? If more people do actually visit our town I have to ask, where will they park?

Councillor Thomas also refers to new workshops being built in Seaton but surely the truth is that these are only being built to rehouse businesses from the Riverside site so that can be used for housing. Come on Councillor Thomas, at least tell it as it is.

I must also comment on one other thing. Councillor Thomas said some traders had improved their frontages. Much more could be done if some landlords took their responsibilities seriously. We have been waiting eight months for something to be done about water pouring down on our customers from the main building guttering. Some landlords are brilliant and act quickly to the needs of their tenants while others sit back and do little or nothing. They get their rent, however.

Councillor Thomas and his colleagues really should wake up and accept the harm they have done and will continue to do to our lovely town. It wouldn't happen in Sidmouth! Residents should remember this next year when the elections come round. It's time Seaton got a fair deal and stopped being the poor relation.

In the meantime, the town's small traders will continue to struggle to make a living while Councillor Thomas and others talk the talk. We open seven days a week. What more can we do? Perhaps on Planet EDDC there are eight days in a week!

Perhaps Councillor Thomas would like to come to Seaton and debate the issues?

Marine Crescent, Seaton

Stop Line Way will attract many visitors

■ I AM heartened to see that Councillor Howard West is so concerned about the development of Seaton, although I was a little surprised to see that he thinks that the filling of the flood plain has caused the flooding of Harbour Road and the Tramway.

Anyone who has lived in Seaton for some time will remember Harbour Road flooding and also the holiday camp being several feet under water on a number of occasions.

I am disappointed that the hotel is unlikely to be built on the Tesco site but at least Seaton will have a new hotel complex at Seaton Heights. Also the lack of affordable housing is regrettable but there are others sites in Seaton where these could be built.

If Councillor West is so concerned about the development and prosperity of Seaton can we assume that he and

other residents of Colyford will work together to ensure that the proposed cycle way can be built soon?

The Stop Line Way will bring many visitors especially families to the town and will be great for the locals as well. You only have to travel to Barnstaple from Wade-bridge to see that a cycle path can be a tremendous asset to the tourist industry.

Perhaps the words of the Serenity Prayer apply here: "God give us the serenity to accept the things we cannot change, courage to change the things we can, and wisdom to know the difference."

Come on Colyford, let's change those things we can for the benefit of our communities.

Disappointed with new bus timetable

■ I WAS disappointed to find that the new X31 timetable has completely cut out the last bus from Lyme Regis to Axminster during the busy summer period.

My husband and I regularly use the service from the Hunters Lodge Inn down to Lyme and return on the 8.35pm bus. During the summer months this particular bus is packed with holidaymakers from the Uplyme campsite and local residents.

Not so long ago the last bus from Lyme Regis Square back to Axminster was 9.35pm. I am amazed that despite being encouraged to use public transport there has been a reduction in service.

The front headlines on the *Pulman's View From Axminster* (Tuesday, May 27th) stated "Better bus services to meet train connection" and I agree that the hourly service on Sundays is an improved facility, but anyone arriving at Axminster after 2015 hours will be forced to travel by taxi rather than the previous timetabled bus.

If this is the new summer timetable for peak times can we expect further cuts to services during the winter months?

Thank you for moving D-Day commemorations

■ MAY I thank, through your letters page, Mervyn Symes and his helpers for arranging the moving D-Day service on the Minster Green in Axminster last Friday.

The quiet dignity of "old soldiers" on parade, together with those of us just too young to remember the actual days of war, brought a tear to most of our eyes on that

green as we felt real pride at being British, standing tall and undefeated.

Whatever the future brings, we will always remember those who fought and died for us.

BILL COLTHAM,
Smallridge, Axminster

WE OPEN this week to record some important national events in past days. By the time this appears, reflections on the celebrations for the anniversary of the D-Day landings will be over, but what a marvellous event it was.

Prior to this the formal opening of Parliament took place with a speech from the throne outlining the proposed topics for this session, which included several of social matters, but also a Charities Bill offering better protection of charities from abuse.

The Friends of Exeter Cathedral who contribute directly to the building's upkeep are this year celebrating the 900th anniversary of the Norman Cathedral with special events.

To take part in such happenings it is possible to enrol in the Friends of Exeter Cathedral (which is a registered charity) as a member and subsequently receive regular information of events etc. Details from The Friends of Exeter Cathedral, 10 Cathedral Close, Exeter EX1 1HS.

June 2014 sees the last of the monthly magazines from the Church of England in Devon, which covers 120 Mission Communities and over 500 parishes across Devon. From next month there will be circulation by email, around the 15th monthly, of a replacement magazine to PCC Secretaries which can be reproduced for local magazines. Copies can be obtained monthly from communications@exeter.anglican.org

Looking back in history the existing monthly magazine started as long ago as 1902, under the title Diocesan Gazette. Memories will be a major feature this month, often linked with special services, exhibitions and various festivals. Material for commemoration services is at the Coff website www.churchofengland.org.

And so to some other coming events to support: Ottery St Mary plans a 1950s/60s Cheese and Wine evening in the parish church on Friday, June 20th. This popular event will have its licensed bar; tickets – selling fast – are £5 for adults and £2.50 for children to include first glass of wine/squash and music of the period.

June 28th features a concert by the parish church's own choir at 7pm. Their standard of singing is very high so with their renowned organist it will be an evening to remember.

Explore, the service for those exploring faith has started again after a sabbatical. New leaders have been enrolled to support those in the post for some years. It meets at 10:45am other than fourth Sunday when All Sorts is there for all congregations at 10.30am.

So, from the churches: Honiton St Paul's Pentecost worship was led by Canon Anna-Norman Walker.

On Thursday, June 19th from 12:30pm-1pm, there's a lunch with the Axminster Chamber Choir to raise funds for the Minster.

The same day sees the start of St Andrew's Church Colyton Flower Festival – 'Bridal Flowers & Fashions' – which be-

Pulman's View from the churches

With NIGEL SPELLER

gins at 10am and runs until Jun 22nd (10:30am on the last day). Thursday–Saturday offers a concert each night at 7:30pm, and on Sunday at 6:30pm there's a final Thanksgiving Service in church.

Branscombe Church have announced their flower festival from September 19th-22nd, in aid of church outgoings.

Sidmouth Methodist Church offers an organ and piano recital towards the restoration of the organ on Saturday, June 21st from 7:30pm – entry is free.

On the same date, the Freedom Community Cafe at Seaton is open between 10:30am and 1:30pm, with 3.2.1 for Jesus; free coffee will be on offer.

Combe Raleigh Summer Craft & Produce Show takes place on Saturday, July 12th. For details, call 46000 or 42527.

The Parochial Church Councils of St Michael's, Beer and the Holyford Mission Community are seeking a suitable person or persons who can help develop the work of the churches with pre-school children, young people & families. 20hrs per week; call 553180.

St Winifred's Church in Branscombe has just held the first of two concerts for church funds – the next date is October 11th at 7:30pm in church. Free, retiring collection.

Elizabeth Lynn from Axminster concludes with thoughts for us to take away: I was once accosted by someone complaining that the church always used to be there for people, giving a helping hand, but that this no longer happened.

I was taken aback and didn't have a ready answer, but then as part of the preparations for the Axe Vale festival a list was compiled of the community activities run by the churches who make up Axminster Churches Together.

These range from weekly mother and toddler clubs in Axminster and Kilminster, where there is also a holiday club for children and another for the elderly [!], a craft group, a shape note singing group, a hamper scheme, plus monthly services in each of our residential homes.

Then there is the ongoing work of the Job Club and support for the town's credit union.

All in all I was struck by how much was quietly being done in the name of Christ amongst our local community.

Colyford flower club welcomes many visitors at open meeting

COLYFORD and District Flower Club held at open meeting on Colyton Town Hall on June 4rd. This was an enjoyable meeting with arrangements created for members and visitors by Coral Gardener from Bath, who kept the group amused all evening with her wit, sense of humour and tales of her life and family.

Her first demo depicted the Somerset Levels and the willows that grow there. Coral used a small willow hurdle on which she arranged a mixture of large hosta leaves, variegated ivy, choysia, blue delphiniums, verbascum and sunflowers.

The following display was named "Autumn Gold" and was created in a cider barrel. This was a parallel design using orange lillies and gerberas, heauchra, calla lily, roses and cider apples. She then brought on two more arrangements to match with fantastic colours.

Coral's third demo was dedicated to the City of Wells and was a long arrangement to looking like the walls of the cathedral and the moat. The flowers used were Bells of Ireland, phormium, hosta escolonia, orange germinis, lime gree chrysanthemums, peony buds and

orchids, finished with a woven willow swan to sit on the moat.

Next was Klive Beach where Coral has spent some of her childhood, made using bent aspidistra leaves to form waves, fatsia leaves, sea holly and coral-coloured gerberas and anthuriums depicted the seashore.

The final display was Hestercombe House and garden, a huge arrangement created in a garden urn using copper beach, pittisporum foxglove, carnations, pink, delphiniums, peony roses and very long-stemmed anthuriums. She then opened the stage curtains to reveal two matching arrangements, one on a garden arch.

A vote of thanks was given by Ann Ord and a round of applause filled the hall.

Winners of the competition were Christine Perry in the novice section, Kay White in intermediate and Sheila Clare in advanced.

The next meeting will be held at Colyford Memorial Hall on July 1st when Pat Boundy of Holsworthy will give a demonstration called "Notes and Quotes" and the competition will be "A book title".

Movement and energy in pastel paintings

WITH a sweeping flourish Exeter artist Rebecca de Mendonca showed Seaton & District Art Society members how to create movement and energy in a pastel painting of a leaping child.

She delighted her audience with her ability to talk and paint at the same time.

Deciding to take a degree in skills-based theatre design, she later went on to be design assistant to Kevin McCloud from "Grand Designs" and to work with Maria Bjornson on the set for "Phantom of the Opera".

Working on mount card primed with a pastel primer, she emphasised the flow of the joyous child by echoing his movement in the coloured background, working and defining the negative shapes.

She worked mostly in soft, Unison pastels, using the full range of possible marks. Then she used the crisper Conte crayons to define leading edge of the figure. The shape of the child's body under his T-shirt became obvious through the flow of the folds in the fabric and the small

dark shadow she placed beneath him was vital.

Having made her young sons leap about repeatedly on the beach for her to photograph them, she emphasised that a photo was just a starting point. She does sheets of little sketches, largely of skeletal stick figures, getting to know the person, the feeling and working out the composition.

Rebecca gave lots of useful hints – about using a knife to remove excess pastel, using shards of broken pastels, or experimenting with textured surfaces and she stressed the importance of keeping the pastels clean. She was enthusiastically applauded and the programme secretary made a note of members' enthusiasm for a future workshop day.

The next demonstration takes place in the Town Hall from 2pm to 4pm on July 7th when Colyton watercolourist David Clarke will show fellow members how to paint machines in a landscape. Visitors and new members are very welcome (E3).

THE events on Pixie Day are based on a legend, which says that Pixies used to rule Ottery. Then 500 years or so ago, they heard that bells were to be hung in the church. They had already tried to prevent the church being built without success, but bells were the last straw, as Pixies cannot abide the sound of bells. So they did everything in their power to prevent them being cast, without success again. So when the monks who lived in Ottery went to fetch the bells from Exeter, they cast a spell on them as they came close to Ottery, which caused them to carry on towards Sidmouth and the sea. But just as they were about to go over the cliff, one of them stepped on a thistle, which made him shout out 'God bless my soul and Saint Mary'. This happened to be the magic phrase which broke

the spell and the bells were brought back to Ottery and hung in the tower. Having failed completely in their aims, the Pixies then went off to live in a cave by the river, where they have lived ever since. But once a year they come out on the Saturday nearest to Midsummer's Day and cap-

ture the bellringers and imprison them in a cave in the Square. Luckily, they don't stay their long, as someone remembers the magic phrase which releases them.

This action will take place at about 6:30pm on 21st June, with the parts of the Pixies being played by Brownies, Cubs, Rainbows and Beavers. Events start 2:30pm, with games, stalls, a Pet Show and entertainment, and continues after the revenge until 10:15pm when there is a firework display. The fete includes a beer tent and refreshments. The surplus is divided equally between the Guide and Scout Movements in the town, which cater for some 150 young people.

ON JUNE 20th 2014, thousands of
UK care homes will be opening
their doors to welcome the public,
connect residents with their local
communities, and change percep-
tions of care homes for good.

The first ever National Care
Home Open Day was such a huge
success, we decided we'd do it all
over again!

June 20th 2014 will see the UK's
care homes take centre stage, wel-
coming the public and arranging
lots of events and activities that
will help to create lasting links be-
tween care home residents and
their local communities.

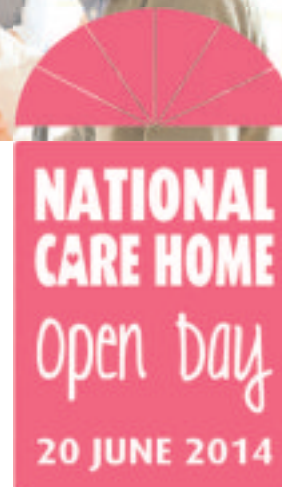

For far too long the care home
sector has been marred by the neg-
ative press associated with a small
number of badly run homes, and
we're determined to show people
what care homes are really about.
We're making some positive noise
- and we want you to be part of it!

National Care Home Open Day
is about connecting people! We
want to enrich the lives of the UK's
care home residents by reminding
people that the care homes in every
community are filled with unique,

intelligent and charming charac-
ters, and run by special people that
really do care.

But don't just take our word for
it - we want to see you on June
20th, visit www.nationalcarehomeopenday.org.uk to see who is tak-
ing part and find out what they're
planning for the big day! In the
mean time, we need you to get in-
volved and help us by spreading
the word - just like us on Facebook
or share with your friends on Twit-
ter, and together we'll make a dif-
ference that lasts!

Blithe Spirit to be Staged in Colyton for 40th Anniversary

COLYTON Theatre Group, celebrating their 40th Anniversary, are to present one of Noel Coward's best loved plays, *Blithe Spirit*, which was first seen in the West End in 1941. It created a new long-run record for non-musical British plays of 1,997 performances.

With a very talented cast, the play is set in the house of Charles and Ruth Condomine (Stephen Knight) invites the implausible medium Madame Arcati (Lyn Henley) to his house for a seance. Whilst consumed in a trance, Madame Arcati unwittingly summons the ghost of Charles' dead wife Elvira (Debbie Meakin). Appearing only to Charles, Elvira soon makes a play to reclaim her husband, much to the chagrin of Charles' new wife Ruth (Angela Parry). One husband, two feuding wives and a whisper of mischief in the air - who will win in Coward's unworldly comedy? This is a play not to be missed.

Blithe Spirit by Noel Coward and directed by Jeff Hutchinson is to be performed at Colyton Town Hall from Wednesday, June 25th to Saturday, June 28th at 7.30pm. Tickets are on sale now priced £8 for adults and £5 for under 16s. Available from Buddens the Chemist in Colyton, The Little Shop in Colyton and Pennys, Estate Agents in Seaton. Up to 40 Balloons in Devon for Annual Balloon and Music Festival!

THE Tiverton Balloon and Music Festival have announced that a record number of Hot Air Balloons will be attending and participating in this year's ballooning extravaganza. The Festival will be taking place at the combined Petroc and Tiverton High School Campus on Friday 11th, Saturday 12th and Sunday, July 13th, with up to 40 Hot Air Balloons from across the country due to take part.

Previous years have seen as many as 30 Hot Air Balloons fly high above Mid Devon, turning the skies into a mass of colour, as well as performing in the Fire and Light Shows and taking part in the popular Public Interaction Sessions, where festival goers can get up close and personal to the balloons themselves. With the Festival growing year on year, 2014 will see an even greater number of balloonists visiting the South West to take part in this dazzling event.

Festival Organiser, Charlie Street, said of this year's record number of Balloons, "It's fantastic to see this event being both well received by the local community as well as by the national ballooning community. More balloons attending this year will result in larger 'Fire & Light' shows taking place, greater morning & evening mass ascents and better afternoon public interaction sessions being put on for festival goers. To date we've raised over £25,000 for local charities, clubs and organisations and with more balloons taking part this year, alongside our increase in camping capacity, I'm sure we're going to be able to build on this figure."

In addition to the balloons themselves the Festival will have over 50 musicians and bands performing across two Music Stages, showcasing a diverse range of musical talent from around the UK. There will also be Aerial Displays featuring RC Helicopters, an On-Site Planetarium, a Comedy Night on Friday, Falconry Displays, Circus Skills and Drumming Workshops, Artisan Craft Stands, award winning Food and Drinks Stalls and a Kids' Zone.

To purchase tickets to the Tiverton Balloon and Music Festival 2014, including Camping, Group Deals and Premier Parking options, please call the booking office hotline on 01404 823 735, visit www.tivertonballoonfestival.co.uk/festival-tickets or pop in to your local Tourist Information Centre.

Wrinkle Reduction clinic in Axminster

Next clinic to be held on Monday, June 30th at Axminster Chiropractic Clinic

Axminster clinic for fine lines and wrinkles was established in 1999. The Clinic are associates of the famous Knightsbridge clinic of Or Rita Rakus.

In addition to the various injectables and fillers, Dr Sherina has recently introduced some exciting new wrinkle reduction treatments in Axminster that has previously only been available in the Knightsbridge clinic. These include Pellevé, PRP and Dermalroller Skin Needling.

Pellevé is a new innovation for smoother, tighter skin. Pellevé precisely

heats the deep layers of your skin using advanced radiowave technology without damaging the epidermis, or top layer. The heat causes the collagen in your skin to contract and tighten. After the treatment, your skin will start to produce new collagen. Results after Pellevé treatment are instantly noticeable, an improvement in skin quality, firmness and tightness you can see and feel, with a fresher and younger look. The Pellevé treatment requires no downtime and no recovery time.

A Pellevé eye treatment can be as quick

as 15 minutes, a full face can take as little as 45 minutes to 1 hour.

Dr Sherina offers free consultations to give you the opportunity to discuss the various options available with no obligation. This is an opportunity to ask any questions you may have regarding any of our treatments. Please call Janis on 01243 374111 if you would like an appointment.

The next clinic takes place on Monday, June 30th.

Devon duo set for Midge Ure shows before Glastonbury

AS if four performances at Glastonbury Festival wasn't enough, Devon's rising folk stars 'India Electric Company' are preceding that with two shows supporting Midge Ure.

Having been confirmed for the official Glastonbury Festival line-up last month, the duo consisting of Cole Stacey & Joseph O'Keefe (both from near Honiton) will be again supporting the Ultravox legend on June 20th at the Marine Theatre in Lyme Regis.

"We're obviously delighted to get the chance to support Midge again his audiences are incredible his new album is sounding brilliant and we adore Lyme Regis" spoke Cole before

adding that they are "overly excited about taking their songs and homemade elderflower champagne to Glastonbury".

With a new album recorded in Devon almost completed, and recognition as "the hardest working acoustic duo in the UK" from BBC 6 Music they have spent much of the last 2 months touring with 80s icon Hazel O'Connor and are due to announce major tour dates after the Summer.

They are confirmed for performances at Glastonbury every day of the fes-

tival at The Avalon Café, The Bimble Inn, Small world Stage & exclusively at the renowned

Camp Kerala. It is all set to be a electrifying few weeks for the the high flying Devon duo.

New additions at Frank Property

Chris and Zoe would like to welcome Kelly and Sharon to the Frank family.

"Frank is a family and we have stuck together through some tough times. Starting a business, and in our case an estate agency, during a period of economic uncertainty was a challenge and we've worked hard to establish Frank in Seaton. To refer to the team at Frank as a family would mean I'd be viewed as the head of the household. So, it was sad to see Laura fly the family nest. Laura is fantastic and will be missed. She played a major part in making Frank what it is today, so we wish her well in all her future endeavours.

We have some exciting new arrivals. My partner of 25 years is joining us in the Frank office. Sharon Napper has a wealth of experience within the world of estate agency and also has unrivalled experience of handling me, so she's a perfect fit!

We also say hello and a big Frank welcome to Kelly Apps. Kelly returns to the industry after taking time out to start a family. I have had experience of working with Kelly in the past. She will bring great skills and experience and is truly excited to be returning to the world of selling houses.

This year has seen us grow and we are overwhelmed by the support we have received from our local community. We are grateful to our sellers and buyers for their congratulations and good wishes and of course all the great testimonials.

So Frank would like to say a big THANK YOU to Laura and the residents of Seaton and all the local towns and villages. We look forward to you popping in and saying hello to Kelly and Sharon"

“Frank Property managed the sale of our holiday cottage. As we were not in the area it was important that we could hand them the keys and leave them to it. They did an excellent job, kept us updated regularly and when the cottage sold they arranged for some building work to be done – prior to exchange of contracts which was over and above the call of duty! We would have no hesitation recommending them. Very trustworthy, helpful and friendly.”

Heightened Level of Luxury to the Land Rover Discovery

LAND Rover continues to celebrate 25 years of Discovery with new additions to the 2015

Model Year offering. Customers will have the option to add striking features from the XXV Special Edition anniversary model as well as gaining extra features as standard with the new SE and SE Tech additions to the derivative line up. In-car technologies also receive a boost with the introduction of Land Rover InControl™ Apps.

These enhancements are available to order on the Discovery now with customer deliveries starting from September in the UK.

"To mark 25 years of Discovery,

Land Rover offered more premium luxury in the form of the XXV Special Edition. Striking attributes from this anniversary derivative are now being made available across the range for our customers to bring that level of heightened luxury into their Discovery of choice," said Phil Popham, Jaguar Land Rover Group Marketing Director.

"InControl Apps adds another dimension to the Discovery's attributes and another meaning to work-life balance by enabling safe and efficient access to essential smartphone content and in-car apps from the vehicle's touchscreen," he added.

Hot trot tests local runners mettle

HONITON RC with Judy Davey

OLIVIA Higginson took part in her first event since October when, together with friend Megan, they ran the **Rainbow Colour Run** at Exeter Racecourse on Sunday, 8th June.

Money raised went to Children's Hospice South West and Olivia and Megan had great fun having paint thrown at them during the event.

Honiton Running Club was well represented at the **Talaton Trotter** seven-mile multi-terrain run last Sunday.

On almost the hottest day of the year so far, 71 runners set off through Escot Park, along the River Otter, through woods and on roads and tracks.

The race was won by Jake Waldron in 41 minutes 42 seconds. First back for Honiton was Ben Stone who settled for 4th place in the great time of 48:09. Chris Entwistle followed coming 8th in 50:08.

Ross Penwill had yet another great run beating Rod Inglis by just one second to come 12th in 54:05. Rod wasn't too upset though as he collected a prize for being first in his category.

Steve Davey followed two places later in 54:35. Suzanne Spiller has been forced out of the racing scene for a while due to injury but nevertheless she did well to be first lady back for Honiton coming 17th in 55:17.

Vernon Gillard is regaining his form and was pleased to come 18th in 55:45. Ceri Oak followed in 22nd place in 56:20.

Howard Bidmead has recently moved to Talaton and took advantage of taking a short stroll to the start. He came 23rd in 57:10 but did miss out on being first local runner!

Despite not feeling too good Mark Dallyn had a solid run coming 25th in 57:59.

Judy Davey was next in 27th place in 59:20. Roger Saunders really struggled with this race eventually coming 38th in 1:02:40 looking like he was going to pass out as he crossed the line.

Sharon Wells and Kathy Layzell both looked strong as they finished; Sharon 51st in 1:08:06 and Kathy 59th

in 1:11:10.

Also on offer was the much shorter **'Weener'** which was won by William Watson in 18:43. Katelyn Wells was the first Honiton runner back in 5th place in 20:48 followed by Jasmine Stone in 20:53.

Abigail Davies and Dad, Hadleigh ran together finishing in 25:16 with Hadleigh winning a prize for first adult home! Ellen Layzell completed the line-up coming 10th in 31:20.

AXE VALLEY RUNNERS

with Dave Mutter

AFTER a gap year the latest race in the east Devon Community series – the seven-mile **Talaton Trotter** – was held last Saturday.

Despite the midday sun 11 Axe Valley Runners entered and completed the course.

The race was won by Jake Waldron of Newham & Essex Beagles in 41:42.

The first AVR home was Tim Lenton who finished 2nd in 45:13 with Michael Lesniak of South West Road Runners 3rd, 46:21.

Amy Greenhalgh was 6th overall and 1st lady finisher in 49:27s. Phil Bayliss finished 11th in 52:47 and as well as being the first vet 60 was also faster than the entire vet 50 field!

Eleanor Wood was 3rd lady, 16th overall in 55:00. Nick Adams finished 29th, 1:00:01 and Roger Bramley 37th, 1:1:44.

Three AVR's in quick succession followed – Alan Morbey 40th, 1:03:48, Hanna Bramley 41st, 1:04:08 just fended off Margaret Pearce 42nd, 1:04:08. Rick Wood was 62nd completing in 1:12:27 and in her first competitive race Crista Bramley was 71st, 1:21:32.

There was a ding-dong battle for 1st place between two AVR Juniors in the **3K Talaton Weener**. Adam Burrough was almost 100 metres ahead in the final section over some lumpy ground when William Watson spotted an opportunity to dash for the finish line, arriving just two seconds ahead of Adam in 18:43.

William's brother Chris also had a great race coming 4th in 20:16 just behind Izzy Beach of Sidmouth RC.

In the **East Devon Community race series**, Eleanor Wood remains the top scorer with 745.8 point just ahead of Judy Davey from Honiton Running Club with Alan Morbey 6th on 584.2 points.

Many thanks to the race organiser, Robin Carter for staging such a fantastic race and Garry Perratt for the times and results.

On Sunday Luke Reed stepped onto the start line of the **'UK 70.3 Half Ironman'** held at Wimblesall Lake on Exmoor.

The 70.3 part of the title is how many miles the race covers: 1.2 mile swim, 56 mile bike and a 13.1 mile run.

This race is said to be the hardest of its kind in the world! Those who know Exmoor will understand why.

Luke had a cracking race on a very hot day finishing 127th out of 1700 finishers in 5:32:57. His split times were: swim 32.10, bike 3.10.15 and run 1.44.20.

Meanwhile, after his record run for the East Devon

Way a few weeks ago, Patrick Devine-Wright decided to up the ante and do the full **East Devon Round** on Sunday, linking the two ends of the EDW with the coast path into a 70-mile circuit – that's more than three Grizzlies back-to-back.

As far as we know, the feat was has only previously been completed by Sidmouth runners John Keast and Don Cawthera three years ago in 20 hours then by Garry Perratt a year later in 18 hours.

The route was very slightly different with closure of the Undercliff forcing a long diversion via Rousdon but the new route on Woodbury Common being slightly shorter and much nicer.

Patrick set a blistering pace from the start and, while slowing a bit in the second half, still blasted round in a truly astonishing 11 hours and 39 minutes.

He even completed East Devon Way time in the second-fastest time we know of, 6:31.

Village duo set to make Premier debuts

THE village football clubs of **BOW AAC** and **SIDBURY UNITED** are both celebrating promotion to the top flight of the **Fresha Devon & Exeter League** for the first time in their history.

Bow have been knocking on the door for some years but problems with their facilities had previously denied them entry.

However, recent changes made to their changing rooms has allowed them to make the step up which they will share with Sidbury, and Division One champions **ELMORE 2NDOS**.

Clyst Valley who finished last in Premier have been relegated so the Premier is now back to its maximum of 16 teams.

The League also took the step of moving up more clubs in many divisions than had been expected, due to keeping the numbers consistent and in some divisions sticking to the principle of relegating three teams.

Division Seven champions **HENRYS CRONIES** have been promoted four divisions into Division Three.

After a 56 year absence **MORETONHAMPTSTEAD** will have a team again in the League. The former South Devon League side withdrew in 1958, but have elected to submit a second team and they were duly accepted.

LYME REGIS and **Ilminster Town Reserves** from the Perry Street & District League were also welcomed.

The Seasideers are in Division Three and will now be able to play at Senior level as their former League only operated at Intermediate.

ILMINSTER have been placed into Division Five, while new teams **CENTRAL FC**, **TIVVY PARK RANGERS** and **WINCHESTER** were slotted into Division Seven as is the custom. **WHIPTON & PINHOE** along with **SOUTH ZEAL UNITED** were welcomed back after a brief absence, and are also entered into Division Seven.

Reserve teams from **CULM UNITED**, **FENITON**, **OTTERY ST MARY**, **SIDMOUTH TOWN**, **ST MARTINS & WELLINGTON TOWN** were all placed in Division Eight.

Prior to the evening's business Richard Pallot of the Devon County FA explained some of the problems they were having with bad behaviour in the Leagues, especially towards referees.

Mr Pallot called on clubs to help stamp out the modern trend which has recently led to some distasteful assaults.

Six in a row - Leaders Upplowman storing clear

INTO the second half of the season and Upplowman continue to make the running with their sixth consecutive win to move three points clear at the top of the table.

The latest win came against Tip Top Trees and, despite starting 12 goals down, they soon chased down the deficit with Vicky Channing playing well. Abby Dare worked hard for the 3Ts but Upplowman proved too strong and

ended with a 60-45 victory.

Last week Signs South West had jumped into second spot and were hoping to maintain their challenge when they met JD Tyres.

But it was not to be despite strong play from Sam Brounski at GK, it was JD who held firm to record a narrow 59-58 win thanks to good play from Emma Bright.

Pixies and Flamingos both took ad-

vantage of the SSW set-back with victories over Sidmouth Toucans and Blackdown Ladies respectively.

Toucans started with a six-goal deficit against Pixies but, with Sara Pearce playing well, the Pixies were too strong despite the best efforts of Vicki Russell and increased their advantage to win by 41-34.

Flamingos returned to action with an eventually comfortable win over Black-

down Ladies who made them work hard for their points.

Once again Nicki Snell stole the show for the Ladies whilst Rachel Burroughs was the pick of the Flamingos from their 65-44 win.

Scores: Upplowman 60 Tip Top Trees 45, Signs South West 58 JD Tyres 59, Flamingos 65 Blackdown Ladies 44, Sidmouth Toucans 47 Pixies 59.

Seniors' Golf

IN extremely blustery conditions only 24 Seniors took part in the recent second round of the four round MASTERS COMPETITION.

Over the past few weeks the rough has grown at a more alarming rate than in past years and, as the competitors found, recovery from a shot off the fairway was very tricky.

As a result scores rocketed and the winner on the day John White (21) with a 79 nett was the only player to break 80.

Second on 80 nett was Chris Walker (15) while the next two players had 82 nett.

Third place on countback went to Iain Bain (14) with Tony Strong (9) the player to miss out on the prizes for the Medal, but following his good score in the 1st round Tony held a small overall lead in the main event going into Friday's third round. Rob Heard carded the only 2.

On June 1st the **Men's Section** played their JUNE MEDAL.

Results: Division One: 1st Alan Morgan nett 70, 2nd Stuart Mackie nett 71.

Division Two: 1st Tom Spencer nett 65, 2nd Alan Cooper nett 78. Unusually there were no 25s.

On June 8th they played the HAZELWOOD CUP for low division and the DART CUP for the high division.

Results: 1st Alex Palmer nett 74, 2nd Mike Wickens net 75 and 3rd Andrew Hellier net 76.

In the Hazelwood, - 1st Simon Sweetland net 73, 2nd Cyril Hellier (on the back nine) net 78, 3rd Roger Chadwick net 78. Mike Wickens, Charlie Griffin, Stuart Mackie and Basil Dean all carded 25s.

The monthly shore fishing events are well under way, a new incentive for this year's competitions is that all members who fish the shore matches are also being put forward for Penn Clubman points.

The club also arrange casting practice and tuition for members or non-members in a field near Honiton on Wednesday evenings.

This is arranged through the club Chairman Dennis Retter. Anyone who wants to learn the basics or simply wants to come along and learn how to cast safely are more than welcome.

Junior competitions are also run on the more local beaches in East Devon. New juniors are always welcome but as normal parents/grand parents should accompany their children to any of the events.

If anyone would like to try fishing for the first time - seniors or juniors - just call Dennis Retter on 07764 960849.

More details on the club from our website at www.honitonsac.co.uk or look for us on Facebook. Monthly meetings are open to all members or non-members at the Conservative Club in Honiton (3rd Thursday each month from 8pm).
